Confirming your investment service

Managed Portfolio Service (MPS)

The Managed Portfolio Service (MPS) offers a number of predefined investment strategies. MPS strategies are invested into collective funds, some of which are managed by Quilter Cheviot. As a discretionary service we undertake the investment transactions within these strategies without prior reference to you. Our MPS does not take unrealised capital gains into account when making changes to client portfolios. This means that for portfolios which are subject to capital gains tax (CGT), there may be occasions when realised gains are in excess of your Annual Exempt Amount, which may result in you having to pay CGT. The minimum investment amount for our MPS is £20,000. If the value of your portfolio falls below this minimum threshold it may not be possible to align your portfolio to the agreed strategy, meaning that our ability to manage your portfolio to the agreed mandate may also be impacted.

1. How to verify your identity

At Quilter Cheviot, we ensure that our process complies with anti-money laundering regulations. This means that we need to verify your identity as well as any potential beneficial owners before we proceed with opening your account.

I am a UK resident

We use the information you provide us with in this form to perform electronic identification checks.

I am an overseas resident

Please send us certified copies of your identity documents. We have outlined how to do this on Page 23.

2. How to verify your trust/organisation

Please follow the instructions on Page 24 to help us to verify the identity of all parties involved in the trust you are opening with us. We've outlined all the requirements for both UK conventional trusts and offshore trusts for you.

If you would like an individual segregated account, there may be additional annual administration charges. This service is only available on request. PURPOSE OF THE TAX RESIDENCE AND STATUS TRUST QUESTIONNAIRE SECTION

This section of our client application form must be completed by all trusts as part of our new account opening process.

We are required under The International Tax Compliance Regulations 2015 and related HMRC guidance (as amended or replaced from time to time) to collect certain information about the tax status of each investor and certain related natural persons. We may be required to disclose this information and account details to HM Revenue & Customs (HMRC) and/or other tax authorities overseas. These regulations were enacted pursuant to Inter-Governmental Agreements (IGAs) the UK has entered into with the United States to implement FATCA and with various other jurisdictions to implement the CRS.

Quilter Cheviot cannot determine your FATCA or CRS status for you or provide you with any advice on this. We have provided accompanying explanatory notes & instructions which should be referred to when completing this form.

If you are in any doubt about your FATCA status you should obtain advice from a suitably qualified tax specialist.

There are separate forms for individuals, corporate entities and specialised entities such as pension funds or charities.

EXEMPT BENEFICIAL OWNER

The most common example for this trust category for UK trusts is a pension scheme (plan, scheme, Fund, Trust or other arrangement established in the UK) which is generally exempt from income taxation in the UK or operated principally to administer or provide pension or retirement benefits or to earn income for the benefit of one or more such arrangements.

If you believe the trust may fall within this category please consider if the pensions account opening form is more appropriate to your circumstances.

DEEMED COMPLIANT FINANCIAL INSTITUTION

A common example for this trust category is a registered charity but other charitable organisations and non-profit organisations (e.g. Sports Clubs) will also be deemed compliant and are not required to report under FATCA.

If you believe the trust may fall within this category please consider if the charity account opening form is more appropriate to your circumstances.

INSTRUCTIONS

PART I: GENERAL

SECTION 1: NAME OF TRUST

Enter the full name of the Trust (the account holder)

SECTION 2: ACCOUNT NUMBER (IF KNOWN)

Where you are a new client you may not have an account number. Where you are an existing client, you should list all account numbers to which the questionnaire applies.

SECTION 3: TAX RESIDENCY

The regulations require Quilter Cheviot to collect specific information about each client's tax residence(s), and determine whether Quilter Cheviot are obliged to submit account information to our local tax authorities, who may pass the information on to other tax authorities.

Please specify within the table provided, all countries in which the trust is resident for tax purposes and the associated tax reference number(s) and tax reference number type.

Country or countries of Tax Residency: Enter the country or countries where the organisation is resident for the purposes of that country's income taxation. If the trust is tax resident in more than one country, please list each one separately.

Tax Reference Number(s) and type: Enter the tax reference number(s) that your country of residence for tax purposes has issued to you and (in the separate column provided) the tax reference number type. Where a country does not issue tax reference number(s) a "functional equivalent" may be used, which may include a trust registration number or other similar form of identification. Where no tax reference number is available, please specify the reason in the space provided.

Definition of Trust Residency: 'Tax residence' is determined by the laws of each jurisdiction, and will depend, among other factors, on the residency of the trustees.

UK tax rules for non-resident trusts are very complicated. Although there are general rules that apply to all non-resident trusts, each trust is different and is treated separately depending on:

- whether it is a discretionary trust or an interest in possession trust
- the residence status of the settlors or beneficiaries

For UK purposes, as a general guide, if most or all of the trustees are resident in the UK for tax purposes then the trust is UK resident. Where some of the trustees but not all are UK resident, then the trust is also to be treated as UK resident if the settlor is both resident and domiciled in the UK for tax purposes.

If you are unsure as to which country the trust you are certifying is resident in for tax purposes, please contact your tax advisor.

SECTION 4: THE TRUST IS A FINANCIAL INSTITUTION WITH A GIIN (GLOBAL INTERMEDIARY IDENTIFICATION NUMBER)

Financial Institution - In general, a trust is treated as a 'Financial Institution' (FI) if the trust's gross investment income exceeds 50% of the trust's total gross income and its assets are managed on a discretionary basis by an asset manager such as Quilter Cheviot or other financial institution but may also be a financial institution in certain other circumstances.

If you are unsure about the trust's classification for the purposes of FATCA please contact your tax advisor.

- (i) The trust has registered as an FI directly with the IRS - The trust will have a GIIN which should be recorded in the box provided.
- (ii) The trust has registered as an FI via a Sponsoring FI - The trust can be an FI and be sponsored where it has a contractual arrangement for its due diligence and reporting is to be carried out by a Sponsoring Entity. If the trust is a Sponsored Investment Entity, please provide the GIIN of the trust and the name of the Sponsoring Entity in the boxes provided.
- (iii) 'Trustee documented' - Where one or more of the trustees is a

corporate trustee the trust will be a trustee documented trust. Under this alternative the trust will not be required to register as an FI and all FATCA due diligence and reporting will be undertaken by the corporate trustee. Please enter the name and GIIN of the designated corporate trustee.

- (iv) Sponsored closely held Investment Vehicle - This category is very similar to the 'Sponsored Investment Entity' under ii. above. The difference is that a Sponsored Investment Vehicle does not need to register with the IRS and obtain a GIIN. Only the sponsoring FI will have to register with the IRS. Please provide the GIIN of the sponsoring FI and their name in the box provided.

SECTION 5: OWNER-DOCUMENTED ALTERNATIVE TO REGISTERING DIRECT WITH THE IRS

Please note that the concept of "Owner-documented FIs" is only applicable for FATCA purposes.

The status of an 'Owner-documented' FI exists exclusively between the trust and Quilter Cheviot meaning that the certifications in this section do not extend to any financial account that the trust may maintain with other FIs. Such other FIs may require separate documentation/certification from the trust.

The trust will qualify for Owner-Documented FI status only where the answer to ALL questions in Section 5 are 'Yes'. If so, please also complete Sections 8, 10 and 11.

SECTION 6: THE TRUST IS A FINANCIAL INSTITUTION BUT DOES NOT HAVE A GIIN.

If the trust cannot provide a GIIN, please tick the reason why it does not have a GIIN:

- (i) The trust has applied, or is going to apply, for a GIIN (but has not yet received it) - Whilst most FIs will have applied and received a GIIN there may be cases where the FI is in the process of applying but not yet received it. If this is the case please tick this box and provide the GIIN as soon as this becomes available.
- (ii) The trust is a "Non-Participating FI" - The trust may be a Non-Participating FI if it is located in a jurisdiction that does not have an IGA with the US and the FI has not entered into a FATCA Agreement with the IRS and it is not deemed compliant or excepted. We may be obliged to report details of this account to HMRC.
- (iii) The trust is a Certified (or otherwise) Deemed Compliant FI - A Financial Institution exempt from the requirement to register with the IRS and report under FATCA and self-certifies its status to withholding agents by providing an appropriate certificate or form, if it meets the relevant conditions. Financial Institutions in this category includes but is not limited to registered charities and other non-profit organisations. Where the trust falls within this category of Financial Institution, please indicate the specific exemption in the space provided.
- (iv) Exempt Beneficial Owners - This category includes Financial Institutions that meet the relevant conditions to be Government Entities, International Organisations, Central Banks, certain retirement funds, and Investment Entities wholly owned by Exempt Beneficial Owners. Where the trust is a Financial Institution that falls within this category, please indicate the specific type of Exempt Beneficial Owner in the space provided.

Other reason (please specify) - Please explain in the box why you believe that the Trust does not require a GIIN. We may be obliged to report details of this account to HMRC.

SECTION 7: THE TRUST IS NOT A FINANCIAL INSTITUTION

Where the trust is not a Financial Institution, you may need to determine which type of NFFE the trust is for FATCA purposes. (If there is any doubt, please refer to the explanatory notes and/or contact your usual tax advisor).

- (i) Exempt Beneficial Owners - This category includes NFFEs that meet the relevant conditions to be a type of Exempt Beneficial Owner under US Treasury Regulations implementing FATCA. Where the trust falls within this category, please indicate the specific type of Exempt Beneficial Owner in the space provided. There are various categories of Active Non-Financial Foreign Entities under the IGAs, including Excepted NFFEs under US Treasury Regulations implementing FATCA, which have no registration or reporting obligations under FATCA. The most common example of an Active NFFE includes an entity in respect of which less than 50% of its gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by it during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income. [Other examples of categories of Active NFFE under the IGAs include government entities, central banks and international organisations and wholly owned subsidiaries of such entities; corporations (or related entities of corporations) whose stock is regularly traded on an established securities market; non-profit organisations; start-up NFFEs; entities liquidating or emerging from bankruptcy; treasury centres and holding companies that are members of non-financial groups; etc. Where the trust is a direct reporting NFFE or sponsored direct reporting NFFE (each a type of Excepted NFFE), please provide the GIIN of the trust and, in the case of a sponsored direct reporting NFFE, the name of the sponsor.
- (ii) The trust is a Passive Non-Financial Foreign Entity - If the trust is not classified elsewhere, it will probably be deemed a Passive NFFE and you should tick the relevant box and go on to complete Section 10.

PART III: THE COMMON REPORTING STANDARD

SECTION 8. THE TRUST IS A FINANCIAL INSTITUTION

'Financial Institution' means a Custodial Institution, a Depository Institution, an Investment Entity, or a Specified Insurance Company for CRS purposes. In general, the definitions of each type of Financial Institution are similar to those under FATCA, although there is an additional limb to the definition of an Investment Entity under CRS.

Under CRS, an entity is an Investment Entity Financial Institution if:

- (a) It primarily conducts as a business one or more of the following activities or operations for or on behalf of a customer:
- (i) trading in money market instruments (cheques, bills, certificates of deposit, derivatives, etc.); foreign exchange; exchange, interest rate and index instruments; transferable securities; or commodity futures trading;
- (ii) individual and collective portfolio management; or
- (iii) otherwise investing, administering, or managing Financial Assets or money on behalf of other persons; or
- (b) its gross income is primarily attributable to investing, reinvesting, or trading in Financial Assets and it is managed by another entity that is a Depository Institution, a Custodial Institution, a Specified Insurance Company, or an Investment Entity described in limb (a) of this definition.

The term Investment Entity shall be interpreted in a manner consistent with similar language set forth in the definition of "financial institution" in the Financial Action Task Force Recommendations.

If you are unsure about the trust's classification for CRS purposes please contact your tax advisor.

- (i) The trust is an Investment Entity resident in a Non-Participating Jurisdiction and managed by another Financial Institution – This category applies to an Investment Entity within limb (b) of the definition that is not in a jurisdiction participating in the CRS (i.e. not in a jurisdiction with which an agreement to exchange information under CRS is in place and which is identified in a published list). If this category applies to the trust then it is treated as a ‘Passive’ NFE and you will need to provide information about its controlling persons in Part IV.
- (ii) The trust is another Investment Entity – This category applies to an Investment Entity that does not fall within (i) above.
- (iii) The trust is another type of Financial Institution - i.e. the trust is a Custodial Institution, Depository Institution or Specified Insurance Company.

SECTION 9. THE TRUST IS NOT A FINANCIAL INSTITUTION

- (i) The trust is an Active Non-Financial Entity that is a corporation the stock of which is regularly traded on an established securities market or a related entity of such corporation. Please provide the name of the established securities market in the space provided. If the trust is a related entity of a regularly traded corporation, please provide the name of the regularly traded corporation in the space provided.
- (ii) The trust is an Active NFE that is a Governmental Entity, International Organisation or Central Bank, or an entity wholly owned by one or more of the foregoing.
- (iii) The trust is an Active NFE which is none of the above (e.g. a start-up NFE, a non-profit NFE, a holding company or treasury centre of a non-financial group, etc.)
- (iv) The trust is a Passive NFE – This category applies to Non-Financial Entities or NFEs that are not Active NFEs. If this category applies to the trust then you will need to provide information about its controlling persons in Part IV.

PART IV: CONTROLLING PERSONS

SECTION 10: CONTROLLING PERSONS

Please only complete Section 10 where you have indicated the trust to be a Passive Non-Financial Foreign Entity under section 7, a deemed Passive NFE under section 8 or a Passive NFE under section 9 OR you would like to take advantage of the ‘Owner-Documented’ service under Section 5.

Legislation implementing FATCA, the CRS and related international governmental agreements requires Quilter Cheviot to identify all controlling persons of a ‘Passive NFFE’ or Owner-documented trust, determine their tax residences, and determine whether Quilter Cheviot are obliged to submit specific account information regarding such controlling persons to their local tax authorities, who may pass this information on to other tax authorities.

Therefore, section 10 must list all “controlling persons” in the table provided.

Definition of Controlling Persons: The term ‘controlling persons’ is to be interpreted in a manner consistent with the applicable Anti-Money Laundering regulations i.e. natural persons who exercise direct or indirect control over an entity. In the case of a trust, “Controlling Person” means the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, and any other natural person(s) exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions. Details of both direct and indirect controlling persons should be provided.

Full name: Enter the full name of the controlling person(s).

Country/countries of Tax Residency: Enter in full the name of the country/countries in which the controlling person is resident for tax purposes.

Town/city and country of birth: Enter the town/city and country in which you were born.

Date of Birth: Enter date of birth in the following format dd/mm/yyyy.

Address: Enter the permanent residential address. The permanent residence address of the controlling person is the address in the country where he/she claims to be resident for the purposes of that country’s income tax. ‘Care of’ and PO Box addresses are not accepted.

Tax Ref for Country of Residence: Enter the tax reference number of the controlling person’s country or countries of residence for tax purposes. Where a country does not issue a tax reference number a “functional equivalent” may be used. For an individual this would include, for example, a social security number, a national insurance number, a personal identification number or a resident registration number.

If no Tax Reference Number is available, please specify the reason in the space provided.

Tax Reference Number Type: Enter the type of tax reference number. A list of valid tax identification numbers and functional equivalents under the domestic laws of various jurisdictions is available on the OECD website (www.oecd.org).

Type of Controlling Person: Enter the letter corresponding to the applicable type of Controlling Person listed in the table below:

Controlling Person’s Status:

- C - Controlling Person of a legal person – senior managing official
