Our schedule of charges

Core Charges:

1. Annual Management Charge

We calculate our annual management charge based on the value of your portfolio (including cash and ISAs where applicable) at the end of each month and average it over our charging period. This management charge is paid directly from your Quilter Cheviot account to us quarterly in arrears at the end of March, June, September and December and it can be subject to VAT.

The Investment Proposal or Schedule that you should have already received from your investment manager describes the relevant annual management charges in the 'Our pricing structure' section. You can confirm your agreement to these in the 'Your signature and declarations' section 6 of this application pack under your consent and signature.

2. Initial Charge

For investments into our AIM service we charge an initial of 1% (plus VAT) with a £5,000 maximum based on the value of your portfolio when the account is opened.

For Advice and Dealing & Execution Only Accounts: (the following charges apply)

Dealing Commission

This will be calculated based on transaction values meaning the more you invest with us, the better rates you can unlock. The minimum charge is £50.

Custody Charge

£45 per UK or overseas asset. This is offsettable against commission at the end of November. This charge is not applied to estates in administration.

PART II: FATCA CLASSIFICATION

SECTION 5: THE ORGANISATION IS A FINANCIAL INSTITUTION WITH A GIIN (GLOBAL INTERMEDIARY IDENTIFICATION NUMBER)

'Financial Institution' means a Custodial Institution, a Depository Institution, an Investment Entity, or a Specified Insurance Company. For FATCA purposes:

- (a) 'Investment Entity' means any entity that conducts as a business (or is managed by an entity that conducts as a business) one or more of the following activities or operations for or on behalf of a customer: (1) trading in money market instruments (cheques, bills, certificates of deposit, derivatives, etc.); foreign exchange; exchange, interest rate and index instruments; transferable securities; or commodity futures trading; (2) individual and collective portfolio management; or (3) otherwise investing, administering, or managing funds or money on behalf of other persons. The term Investment Entity shall be interpreted in a manner consistent with similar language set forth in the definition of "financial institution" in the Financial Action Task Force Recommendations;
- (b) 'Custodial Institution' means any entity that holds, as a substantial portion of its business, financial assets for the account of others. An entity holds financial assets for the account of others as a substantial portion of its business if the entity's gross income attributable to the holding of financial assets and related financial services equals or exceeds 20% of the Entity's gross income during the shorter of: (i) the three-year period that ends on 31 December (or the final day of a non-calendar year accounting period) prior to the year in which the determination is being made; or (ii) the period during which the entity has been in existence;

- (c) 'Depository Institution' means any entity that accepts deposits in the ordinary course of a banking or similar business; and
- (d) 'Specified Insurance Company' means any entity that is an insurance company (or the holding company of an insurance company) that issues, or is obligated to make payments with respect to, a Cash Value Insurance Contract or an Annuity Contract.

If you are unsure about the organisation's classification for the purposes of FATCA please contact your tax advisor.

- (i) The organisation is a UK or Partner Jurisdiction Financial Institution – An organisation is Partner Jurisdiction Financial Institution if it is (a) a Financial Institution resident in a jurisdiction treated as having in effect an Inter-governmental Agreement with the US to implement FATCA (a Partner Jurisdiction), but excluding any branches of such Financial Institution that are located outside the Partner Jurisdiction, or (b) a branch of a Financial Institution not resident in the Partner Jurisdiction, if such branch is located in the Partner Jurisdiction. The organisation has registered directly with the IRS and will have a GIIN which should be recorded in the box provided.
- (ii) A Registered Deemed Compliant Financial Institution – the organisation is a non-US FI that has registered with the IRS and obtained a GIIN and falls within a category of Registered Deemed Compliant Foreign Financial Institutions under US Treasury Regulations made pursuant to FATCA, other than an FI within (i) or (iv) – examples include a local FFI, non-reporting FI member of a Participating FFI group, qualified collective investment vehicle, restricted fund, qualified credit card issuer, etc.
- (iii) The organisation is a Participating Financial Institution – The organisation is not resident in the UK or a Partner Jurisdiction but has registered and entered into an FFI agreement directly with the IRS and will have a GIIN which should be recorded in the box provided.
- (iv) Sponsored Investment Vehicle/Entity – The organisation can be an FI and be sponsored where it has a contractual arrangement for its due diligence and reporting is to be carried out by a Sponsoring Entity. If the organisation is sponsored, please provide the GIIN and the name of the Sponsoring Entity, in the boxes provided. Please ensure you confirm whether you are being sponsored as an 'investment entity' or a 'closely held investment vehicle'.

SECTION 6: THE ORGANISATION IS A NON-US FINANCIAL INSTITUTION BUT DOES NOT HAVE A GIIN

If the organisation cannot provide a GIIN, please tick the reason why it does not have a GIIN:

- (i) The organisation has applied, or is going to apply, for a GIIN (but has not yet received it) – Whilst most FIs will have applied and received a GIIN there may be cases where the FI is in the process of applying but not yet received it. If this is the case please tick this box and provide the GIIN as soon as this becomes available.
- (ii) The organisation is a "Non-Participating FI" – The organisation may be a Non-Participating FI if it is located in a jurisdiction that does not have an IGA with the US and the FI has not entered into a FATCA Agreement with the IRS, and it is not deemed compliant or excepted. An FI may also be a Non-Participating FI if it is a UK FI or Partner Jurisdiction FI that is included on an IRS list of non-US Financial Institutions treated as Non-Participating FIs. We may be obliged to report details of this account to HMRC.
- (iii) The organisation is a Certified (or otherwise) Deemed Compliant FI – An organisation that is a Financial Institution exempt from the requirement to register with the IRS and report under FATCA and self-certifies its status to withholding agents by providing an appropriate certificate or form, if

it meets the relevant conditions. Financial Institutions in this category include non-registered local banks, financial institutions with only low-value accounts, certain investment managers and advisors, certain retirement plans, registered charities and other non-profit organisations, certain owner-documented FIs, limited life debt investment entities, etc. Where the organisation falls within this category of Financial Institution, please indicate the specific exemption in the space provided.

- (iv) Exempt Beneficial Owners – This category includes Financial Institutions that meet the relevant conditions to be Government Entities, International Organisations, Central Banks, certain retirement funds, and Investment Entities wholly owned by Exempt Beneficial Owners. Where the organisation is a Financial Institution that falls within this category, please indicate the specific type of Exempt Beneficial Owner in the space provided.

Other reason (please specify) – Please explain in the box why you believe that the organisation does not require a GIIN. We may be obliged to report details of this account to HMRC.

SECTION 7: THE ORGANISATION IS NOT A NON-US FINANCIAL ENTITY

Where the organisation is not Financial Institution, you will need to determine which type of non-financial foreign entity it is for FATCA purposes. (If there is any doubt, please refer to the explanatory notes and/or contact your usual tax advisor).

- (i) The organisation is an Active Non-Financial Foreign Entity – There are various categories of Active Non-Financial Foreign Entities under the IGAs, including Excepted NFFEs under US Treasury Regulations implementing FATCA, which have no registration or reporting obligations under FATCA. The most common example of an Active NFFE includes an organisation in respect of which less than 50% of its gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by it during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income. [Other examples of categories of Active NFFE under the IGAs include government entities, central banks and international organisations and wholly owned subsidiaries of such entities; corporations (or related entities of corporations) whose stock is regularly traded on an established securities market; non-profit organisations; start-up NFFEs; entities liquidating or emerging from bankruptcy; treasury centres and holding companies that are members of non-financial groups; etc.

Where the organisation is a direct reporting NFFE or sponsored direct reporting NFFE (each a type of Excepted NFFE), please provide the GIIN of the organisation and, in the case of a sponsored direct reporting NFFE, the name of the sponsor.

- (ii) The organisation is a Passive Non-Financial Foreign Entity – If the organisation is not classified elsewhere, it will probably be deemed a Passive NFFE and you should tick the relevant box and go on to complete Section 10.

PART III: THE COMMON REPORTING STANDARD

SECTION 8. THE ORGANISATION IS A FINANCIAL INSTITUTION

'Financial Institution' means a Custodial Institution, a Depository Institution, an Investment Entity, or a Specified Insurance Company for CRS purposes. In general, the definitions of each type of Financial Institution are similar to those under FATCA, although there is an additional limb to the definition of an Investment Entity under CRS.

Under CRS, an organisation is an Investment Entity Financial Institution if:

- (a) it primarily conducts as a business one or more of the following activities or operations for or on behalf of a customer:
- (i) trading in money market instruments (cheques, bills, certificates of deposit, derivatives, etc.); foreign exchange; exchange, interest rate and index instruments; transferable securities; or commodity futures trading;
- (ii) individual and collective portfolio management; or
- (iii) otherwise investing, administering, or managing Financial Assets or money on behalf of other persons; or
- (b) its gross income is primarily attributable to investing, reinvesting, or trading in Financial Assets and it is managed by another entity that is a Depository Institution, a Custodial Institution, a Specified Insurance Company, or an Investment Entity described in limb (a) of this definition.

The term Investment Entity shall be interpreted in a manner consistent with similar language set forth in the definition of “financial institution” in the Financial Action Task Force Recommendations.

If you are unsure about the organisation’s classification for CRS purposes please contact your tax advisor.

- (i) The organisation is an Investment Entity resident in a Non-Participating Jurisdiction and managed by another Financial Institution – This category applies to an Investment Entity within limb (b) of the definition that is not in a jurisdiction participating in the CRS (i.e. not in a jurisdiction with which an agreement to exchange information under CRS is in place and which is identified in a published list). If this category applies to your organisation then it is treated as a ‘Passive’ NFE and you will need to provide information about its controlling persons in Part IV.
- (ii) The organisation is another Investment Entity – This category applies to an Investment Entity that does not fall within (i) above.
- (iii) The organisation is another type of Financial Institution - i.e. the organisation is a Custodial Institution, Depository Institution or Specified Insurance Company.

SECTION 9. THE ORGANISATION IS NOT A FINANCIAL INSTITUTION

- (i) The organisation is an Active Non-Financial Entity that is a corporation the stock of which is regularly traded on an established securities market or a related entity of such corporation. Please provide the name of the established securities market in the space provided. If the organisation is a related entity of a regularly traded corporation, please provide the name of the regularly traded corporation in the space provided.
- (ii) The organisation is an Active NFE that is a Governmental Entity, International Organisation or Central Bank, or an entity wholly owned by one or more of the foregoing.
- (iii) The organisation is an Active NFE which is none of the above (e.g. a start-up NFE, a non-profit NFE, a holding company or treasury centre of a non-financial group, etc.)
- (iv) The organisation is a Passive NFE – This category applies to Non-Financial Entities or NFEs that are not Active NFEs. If this category applies to your organisation then you will need to provide information about its controlling persons in Part IV.

PART IV: CONTROLLING PERSONS

SECTION 10: CONTROLLING PERSONS

Please only complete Section 10 where you have indicated the organisation to be a Passive Non-Financial Foreign Entity under

section 7, a deemed Passive NFE under section 8 or a Passive NFE under section 9.

Legislation on implemented FATCA, the CRS and related international governmental agreements requires Quilter Cheviot to identify all controlling persons of a ‘Passive NFFE’ or passive NFE, determine their tax residences, and determine whether Quilter Cheviot are obliged to submit specific account information regarding such controlling persons to their local tax authorities, who may pass this information on to other tax authorities.

Therefore, section 10 must list all “controlling persons” in the table provided.

Definition of Controlling Persons: The term ‘controlling persons’ is to be interpreted in a manner consistent with the applicable Anti-Money Laundering regulations i.e. natural persons who exercise direct or indirect control over an entity. In the case of a corporate organisation “Controlling Person” this means any natural person who ultimately owns or controls a legal entity through direct or indirect ownership or control over a sufficient percentage of the shares or voting rights in that legal entity; a percentage of more than 25% shall be deemed sufficient to meet this criterion. To the extent that there is doubt as to whether the natural person(s) with the controlling ownership interest are the beneficial owner(s) or where no natural person exerts control through ownership interests, the identity of the natural persons (if any) exercising control of the legal person or arrangement through other means should be provided. Where no natural person is identified as exercising control through ownership interests or other means, the identity of relevant natural person(s) who holds the position of senior managing official should be provided.

Country/countries of Tax Residency: Enter in full the name of the country in which the controlling person is resident for tax purposes.

Town/city and country of birth: Enter the town/city and country in which you were born.

Date of Birth: Enter date of birth in the following format dd/mm/yyyy.

Address: Enter the permanent residential address. The permanent residence address of the controlling person is the address in the country where he/she claims to be resident for the purposes of that country’s income tax. ‘Care of’ and PO Box addresses are not accepted.

Tax Ref for Country of Residence: Enter the tax reference number of the controlling person’s country of residence for tax purposes. Where a country does not issue a tax reference number a “functional equivalent” may be used. For an individual this would include, for example, a social security number, a national insurance number, a personal identification number or a resident registration number.

To the extent that there is doubt as to whether the natural person(s) with the controlling ownership interest are the beneficial owner(s) or where no natural person exerts control through ownership interests, the identity of the natural persons (if any) exercising control of the legal person or arrangement through other means should be provided.
