VISION | IFP

Thank you for choosing to open an account with us. Please carefully read and complete all the relevant sections, so that we can match the right investment service to your needs. By signing this application form and returning it to us, you will be entering into a legal customer agreement with us.

In operating any JISA we will, at all times, be subject to the requirements of the then Individual Savings Account Regulations 1998 as amended at any time (the ISA Regulations). So, in the event of any conflict between our agreement and the ISA Regulations, the ISA Regulations will prevail.

This form is to be completed by the parent or legal guardian of the child. Please note, under HMRC rules only one parent or legal guardian can be the controller of a JISA. Please also be aware that a JISA cannot be closed before the child's 18th birthday as outlined on page 16 of this form.

Choosing your investment services

1. Which of these Quilter Cheviot services would you like to choose?

Please select the investment service that you have already discussed with your investment manager.

- ☐ **Discretionary Portfolio Service (DPS)**
The Discretionary Portfolio Service (DPS) offers you active management of your investments and has flexibility for you to apply your investment preferences or restrictions. Your investment manager has full authority to manage your investments without prior reference to you. The minimum investment amount for the DPS is £250,000
- ☐ **Managed Portfolio Service (MPS)**
The Managed Portfolio Service (MPS) offers a number of predefined investment strategies. MPS strategies are invested into collective funds, some of which are managed by Quilter Cheviot. As a discretionary service we undertake the investment transactions within these strategies without prior reference to you. Our MPS does not take unrealised capital gains into account when making changes to client portfolios. This means that for portfolios which are subject to capital gains tax (CGT), there may be occasions when realised gains are in excess of your Annual Exempt Amount, which may result in you having to pay CGT. The minimum investment amount for our MPS is £40,000. If the value of your portfolio falls below this minimum threshold it may not be possible to align your portfolio to the agreed strategy, meaning that our ability to manage your portfolio to the agreed mandate may also be impacted.
- ☐ **Execution only (EO)**
This is our dealing only service where we will undertake transactions only when we receive your specific instructions to do so. We will not advise you about the merits of any transaction and will not assess if the investment, transaction or service, is suitable for you. You will be solely responsible for the selection of the investments in which you instruct us to deal.

If you have any additional questions about which service is best for your needs, please get in touch with your investment manager at Quilter Cheviot or financial adviser if you have one.

2. How to verify your identity

At Quilter Cheviot, we ensure that our process complies with anti-money laundering regulations. This means that we need to verify your identity as well as any potential beneficial owners before we proceed with opening your account.

I am a UK resident

We use the information you provide us with in this form to perform electronic identification checks.

I am an overseas resident

Please send us certified copies of your identity documents. We have outlined how to do this on Page 21.

For the child please provide a copy of either their passport or birth certificate.

Special Category Data

In the contact we have with you it is possible that you may disclose sensitive information to us that is defined as Special Category Data (SCD) under data protection law. For us to be able to capture this data and then process it to make investment decisions or otherwise manage your account in your best interest we usually need your explicit consent. We will not specifically ask you about all the types of SCD described below but, if you think any of them are relevant to the investment decisions we make on your behalf, then it is in your interests to inform us.

What is SCD?

SCD is more sensitive personal information about an individual, for example: race or ethnic origin, political opinions, religious or philosophical beliefs, health, sexual orientation, trade union membership, and genetic or biometric data.

We only collect SCD when it is necessary and relevant for us to do so to tailor your investment account to your specific requirements (if any) or to otherwise provide our services to you as agreed. We are most likely to collect:

- information about your health; and
- information that may identify your philosophical beliefs, for example if you wish to exclude investments on ethical grounds.

Why do we collect this data?

We collect this information to ensure that we provide you with an investment service that meets your specific requirements and is most appropriate for your individual circumstances.

How do we collect the data?

When we first meet you, we will carry out a fact find and collect personal data that may include SCD (as described above). We may also collect SCD during regular review meetings or other conversations with you, or when you complete one of our application forms.

Your consent

You can withdraw your consent at any time, but if you do so, we may not be able to continue to provide you with an investment service that is tailored to your needs.

When we do not require your consent

In very limited circumstances it may be necessary for us to record information about your health, which is a type of SCD, without your consent due to reasons of substantial public interest. This provision would only be relied upon if absolutely necessary to safeguard your economic wellbeing, and if a failure to record this information could pose a direct risk of harm.

By ticking this box you consent to us collecting, processing and storing Special Category Data about you as described in this form.

I consent

5. Your consent and signature

Please take your time and carefully read, sign and date this page to agree to:

- ✓ confirm that you agree to this application form, our Terms and Conditions, risk disclosures, investment proposal, cost and charges information on the Quilter Cheviot website and schedule of charges and (if you have a Quilter Cheviot ISA) our ISA Terms and Conditions (Agreement);
- ✓ confirm receipt of the Quilter Cheviot 'Understanding Your Investment Portfolio' document;
- ✓ confirm that, if applicable, you instruct Quilter Cheviot to facilitate the payment of adviser charges to your named adviser as set out in Part 4 of this application form;

- ✓ give your consent to us sending notices (such as changing our Terms and Conditions) electronically, such as by attaching a document to an email or linking to our website.

Note: Assets that we hold on your behalf will, as standard practice, be held on an omnibus basis in our nominee name. This means that your investments will be pooled with others that belong to our other clients. Ownership of each client's investments is always immediately and separately identifiable in our books and records.

As an alternative, we can hold some assets individually on a segregated basis. This means that your assets will be held in our nominee name but will be separate from other clients' assets. If you would like an individual segregated account, there may be additional annual administration charges. This service is only available on request. JISA terms and declaration

The terms and conditions in this application/transfer form (the JISA Terms) are supplemental to the Quilter Cheviot Stocks and Shares ISA Terms and Conditions (the ISA Terms).

The JISA investments shall be in the beneficial ownership of the child.

Except for cash deposits, National Savings products and certain insurance policies (see below), the title to the JISA investments will be registered: in our name, in the name of our nominee, or jointly in one of their names and the child or registered contact's name.

Where a share certificate or other document evidencing title to a JISA investment is issued, it will be held by us or as we may direct.

Where insurance policies are with an insurer who is also a JISA provider, the title to the policies shall be vested in the registered contact, and the policy document or other document showing title to the insurance policy shall be held by the registered contact.

We shall arrange, if the registered contact elects, for the registered contact: (1) to receive a copy of the annual report and accounts issued by every company or other concern in respect of shares held in the JISA; (2) to attend shareholders', securities holders' or unit holders' meetings, to vote, and to receive, in addition to the annual report and accounts, any other information issued to shareholders, securities holders or unit holders (a separate charge may be levied for these services; we will advise you of such charge on request).

A JISA cannot be transferred in part. We will do this within any reasonable time given to us to do this, which will not be more than 30 days.

We shall notify the registered contact if, by reason of any failure to satisfy the provisions of the Individual Savings Account Regulations 1998 No.1870 (as amended), a JISA has, or will, become void.

Under the ISA Regulations, we are not able to pay income payments, regular withdrawals or single withdrawals from a JISA before the child's 18th birthday. JISAs are unable to benefit from the flexible ISA rules described in the ISA Terms.

A JISA cannot be closed before the child's 18th birthday. Notwithstanding the foregoing, a JISA can be closed: (i) on the death of the child; (ii) on or after the child's 18th birthday; (iii) if instructed by HMRC; or (iv) if a terminal illness claim for the child has been accepted by HMRC. Following the child's 18th birthday, they can instruct us to close the account.

When the child turns 18 the JISA will automatically become an ISA and the ISA Terms will continue to apply. Quilter Cheviot will require additional paperwork from the ISA holder at this point.

Our schedule of charges

Core Charges:

1. Annual Management Charge

We calculate our annual management charge based on the value of your portfolio (including cash and ISAs where applicable) at the end of each month and average it over our charging period. This management charge is paid directly from your Quilter Cheviot account to us quarterly in arrears at the end of March, June, September and December and it can be subject to VAT.

The Investment Proposal or Schedule that you should have already received from your investment manager describes the relevant annual management charges in the 'Our pricing structure' section. You can confirm your agreement to these in the 'Your signature and declarations' section 6 of this application pack under your consent and signature.

2. Initial charge

For investments into our AIM service we charge an initial of 1% (plus VAT) with a £5,000 maximum based on the value of your portfolio when the account is opened.

For Advice and Dealing & Execution Only Accounts: (the following charges apply)

Dealing Commission

This will be calculated based on transaction values meaning the more you invest with us, the better rates you can unlock. The minimum charge is £50.

Custody Charge

£45 per UK or overseas asset. This is offsettable against commission at the end of November. This charge is not applied to estates in administration.

Dealing Charge

Contract charge of £40 per transaction.

Commission Values

All assets above £20,000 = 0.3%
The next £10,000 = 0.5%
